Vacuum stainless steel drinking cup TOMMASO

Product number: 8547506

Our double-walled vacuum insulated stainless steel travel mug is the ideal companion for on the go, at the office, or while traveling. Thanks to high-quality vacuum insulation, it keeps hot drinks warm for a long time and cold drinks pleasantly cool. With a capacity of 500 ml, it offers plenty of space for coffee, tea, or other favorite beverages, while the leak-proof lid ensures safe transport. Product highlights: Double-walled vacuum insulation: Keeps beverages reliably hot or cold for extended periods. High-quality stainless steel: Robust, durable, and taste-neutral. Leak-proof lid: Ideal for safe transport in bags or backpacks. Optimal capacity: 500 ml – perfect for daily use on the go. Printing option: Your logo is engraved with high quality in the upper area of the mug – ideal as a stylish promotional gift or personalized giveaway.
