Declaration of Product Safety

pursuant to Regulation (EU) 2023/988 on general product safety (GPSR) and the REACH Regulation (EC) No 1907/2006

MACMA Kft. places on the market only products that meet the safety requirements of Regulation (EU) 2023/988 of the European Parliament and of the Council of 10 May 2023 on general product safety, i.e. products that pose no danger to the health or safety of users or of any other person.

A product is considered safe when, used under normal or reasonably foreseeable conditions – throughout its period of use and, where applicable, including its putting into service, installation and maintenance – it presents no risk at all, or at most the minimal risks inherent in its use that are deemed acceptable and consistent with a high level of protection of health and safety.

We also declare that the product specified below, together with the goods listed under this item number on the invoice or delivery note, satisfies the requirements of Regulation (EC) No 1907/2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH).
